

ESD attorney Scott Smith, with Smith Murdaugh Little & Bonham, presented a workshop on Commissioner Compliance and Texas Ethics Laws. All commissioners, Brandi Crone and Karol Bone were present for the workshop. The presentation covered commissioner qualifications, conflict of interest, nepotism, abuse of office, and required training certifications. Scott briefly reviewed the Texas Public Information Act and Texas Open Meetings Act. He included discussions on “walking quorums” and the impact this type of communication and interaction could have on the ESD.

Respectfully submitted,

A handwritten signature in blue ink that reads "Karol Bone". The signature is written in a cursive, flowing style.
