

Commissioners D. McJunkin, K. Stacy, E. Krenek, T. Kuykendall and R. Pechukas attended the Groundbreaking Ceremony for the new Fire Station and Administration Building on Tuesday, June 9, 2020 at 8:00am. District employees in attendance were: Brandi Crone, Business Manager; Chief Herc Meier; Assistant Chief Wade Goates; and Karol Bone, Administrative Assistant, as well as various other employees of the Fulshear-Simonton Fire Department. Also in attendance were: Pastors Steve Littlefield and John Crowe; Fort Bend County Precinct No. 3 Commissioner Andy Meyers; Mayor Aaron Groff, City of Fulshear; Mayor Laurie Boudreaux, City of Simonton; and District residents and former District Commissioners Pam Spier, Scott Evans and Brent Warren; and representatives of Brookstone Construction (“Brookstone”) and BRW Architects (“BRW”).

Pastor Littlefield began the program with an opening prayer. President McJunkin welcomed everyone for coming to the groundbreaking and thanked and introduced the local dignitaries and elected officials in attendance. Commissioner McJunkin then introduced BRW and Brookstone, the architect and construction services provider for the Fire Station and Administration Building project, respectively. Commissioner McJunkin next introduced the current District Commissioners and previous Commissioners in attendance. Commissioner McJunkin followed with a brief history of the District and how it has evolved to where it is present day. Commissioner McJunkin then introduced Chief Meier, who thanked everyone for attending. Then the attendees proceeded with taking commemorative photographs of the groundbreaking.

Pastor Crowe concluded the program with a closing prayer.

Passed and approved this 21 day of July, 2020.

T. Kuykendall  
Secretary, Board of Commissioners
